All vendors will be required to set up and be ready one hour before the festival begins. For the safety of our guests, all vehicles **MUST BE** off the streets at this same time. Also, **NO** tearing down of booths early. This causes too much confusion and is also unsafe to everyone. All vendors will be required to check out with a festival committee member in order to receive a full refund on your cleaning deposit. All vendors will be responsible for his/her own sales tax. The Scandinavian Heritage Festival wants to provide the best service to our vendors and guests with a wide variety of crafts and food options. Therefore we reserve the right to turn away vendor requests if we feel there is too much duplication of craft and food booths. Booth space is assigned on a first-come-first-served basis. However, this **IS NOT** a guarantee of placement in the festival. Your application will be reviewed by the festival committee and you, the vendor will be notified of acceptance or denial. We reserve the right to refuse any application for any reason. The Scandinavian Heritage Festival will not be held responsible for any product stolen, damaged or misplaced. Any vendor not complying to this statement in full will be subject to **NO** refund of their cleaning deposit.

I have read and agree to the above guidelines and statement.
